Corporate Social Responsibility and Good - Academia.edu

Corporations have a responsibility to contribute to the betterment of society. This contribution can take many forms, including financial donations, volunteer work, and community involvement. By engaging in corporate social responsibility and good, companies can build good relationships with their communities and enhance their reputation.

Carroll’s pyramid of CSR: taking another look

Jul 05, 2016 - Corporate philanthropy includes all forms of business giving. Corporate philanthropy embraces business’s voluntary or discretionary activities. Philanthropy or business giving may not be a responsibility for some businesses, but it is a requirement for others.
