Real Life Heroes - Richard Kagan 2014-06-11
Help children overcome the pain of trauma and develop a healthy sense of self! Real Life Heroes: A Life Storybook for Children helps traumatized children move from painful or fractured memories to a more positive perspective, not by denying hardships, but by drawing strength from the supportive people in their lives. This innovative workbook uses a creative arts approach that encourages children to work with caring adults to develop autobiographies through a wide range of activities, including drawings, music, movies, and narrative. The results foster positive values and a sense of pride in children as they form a stronger bond with caring and committed adults as protection against the adversity and stressors that exist in everyday life. This unique book is designed to be used in tandem with Rebuilding Attachments with Traumatized Children: Healing from Losses, Violence, Abuse, and Neglect (Haworth), a guide to attachment and trauma therapy from the same author. Real Life Heroes: A Life Storybook for Children is a therapeutic resource that helps children overcome the difficulties they may face, including divorce, separation, placement, learning problems, serious illness, and hospitalization. The workbook highlights and preserves for children the moments in their lives when “important” people—family, friends, and community—showed kindness, caring, understanding, and courage, giving the child a sense of value that can inspire the transformation from victim to hero. The life storybook is especially useful for work with children in foster and adoptive families and group care programs. Real Life Heroes is divided into eight chapters: “A Little About Me” helps children recognize and express feelings (affect management) and introduces the child to the book’s format “Heroes and Heroines” invites the child to draw, act out, and write a brief story of someone in his or her life who has acted like a hero “People in My Life” helps a child recall memories of adults who provided care “Good Times” helps a child remember strengths, skills, and supportive relationships that helped him or her “Looking Back” encourages a child to chronicle his or her moves between different locations and homes “Making Things Better” helps a child build self-soothing skills with imagery and magic “Through the Tough Times” helps a child process difficult memories utilizing skills, support from caring adults, and cognitive processing techniques “Into the Future” helps a child to develop a successful self-image for the future Real Life Heroes: A Life Storybook for Children is a rich resource for counselors, psychotherapists, teachers, parents, adoptive parents, foster parents, grandparents, and mentors who are working to help troubled children to overcome traumas and to rebuild hope and a positive identity.

**The Hero And the Blues**-Albert Murray 2012-09-19 In this visionary book, Murray takes an audacious new look at black music and, in the process, succeeds in changing the way one reads literature. Murray’s subject is the previously unacknowledged kinship between fiction and the blues. Both, he argues, are virtuoso performances that impart information, wisdom, and moral guidance to their audiences; both place a high value on improvisation; and both fiction and the blues create a delicate balance between the holy and the obscene, essential human values and cosmic absurdity. Encompassing artists from Ernest Hemingway to Duke Ellington, and from Thomas Mann to Richard Wright, The Hero and the Blues pays homage to a new black aesthetic.

On Ordinary Heroes and American Democracy-Gerald M. Pomper 2016-01-08 True American heroes need not have superhuman abilities nor do they need to act alone. Heroism in a democracy is different from the heroism of myths and legends, writes Gerald Pomper in this original contribution to the literature of U.S. politics. Through the remarkable stories of eight diverse Americans who acted as heroes by "just doing their jobs" during national crises, he offers a provocative definition of heroism and fresh reasons to respect U.S. institutions and the people who work within them. This new paperback edition includes photographs, an introductory chapter on American heroism after 9/11, a survey of the meanings of heroism in U.S. popular culture, and an original concluding theory of "ordinary" heroism.

Lesbian Family Life, Like the Fingers of a Hand-Valory Mitchell 2013-09-13 In this book, an array of approaches - first person and theoretical accounts, clinical understandings, qualitative and quantitative research - are brought to bear on controversial or under-discussed topics in lesbian family life. From conception all the way to care for elderly parents, this book takes a fresh look at lesbian family relationships. Topics include: butch/femme couples, infidelity, the psychological meaning of family for lesbians, age-discrepant couples, lesbian nuns as family, Listservs as family, intentional family for aging women, women raising sons, mothers who come out late in life, mothers and children in situations of domestic violence, lack of support for lesbian domestic violence survivors, death of a partner, psychological issues in the use of sperm donors or surrogates, and middle-aged lesbians caring for homophobic elderly parents. Some authors use self psychology and Jungian psychology to describe aspects of family life. The richness and diversity of topics makes it a text on "lesbian lives". Therapists and academics from throughout the U.S. have contributed to this collection. Many lesbian women, as well as teachers (it can be a text) and mental health professionals who work with children, families, couples and elderly will find useful material here. This book was published as a special issue of the Journal of Lesbian Studies.

Of Self and Nation-C. W. Watson 2000-01-01 Recent scholarly work on nationalism has revealed the importance of the nation imagined as a community. The subjects of these works, however, have been largely political speeches, polemical essays, and radical journalism. Missing has been the one literary genre where the individual's commitment to the imagining of the nation is most explicitly addressed: autobiography. In looking critically at eight autobiographical works, all concerned in one way or another with the question of what it means to be an Indonesian in the twentieth century, C.W. Watson demonstrates the value of reading autobiographies as accounts of nation-building. Opening with a critique of a turn-of-the-century collection of letters by an aristocratic Javanese now celebrated as the founder of the women's movement in Indonesia, Watson
goes on to consider the autobiography of another Javanese who was coopted into the Dutch colonial service and whose reflections on his relationships with senior Dutch officials lay bare the dynamics of the process of twentieth-century colonialism. Other autobiographies by writers and religious figures from Sumatra and Java who actively participated in the struggle of the nationalist movement in the 1930s and 1940s are also carefully scrutinized. The final chapter considers how autobiographies written by a younger generation of Indonesians in the late 1980s reconsider Indonesian nationalism in the light of a commitment to a modernist Muslim perspective on the nation.

**How to Be a Hero**-Florence Parry Heide 2016-10-04 Once upon a time, there was a nice boy and his name was Gideon. He lived in a nice house, and he had nice parents and lots of toys. But Gideon wasn't satisfied. He wanted to be a hero. You know, a hero, with his name on the front page of the newspaper. That sort of thing. So how does anyone get to be a hero, anyway? Heroes have to be strong. Heroes have to be brave. Heroes have to be clever. Don't they? With wry humor, Florence Parry Heide and Chuck Groenink explore how we choose our idols in a witty story that leaves it to readers to decide the real nature of heroism. Plus, this is the fixed format version, which looks almost identical to the print edition.

**Concepts of Realism**-Luc Herman 1996 Examination of the critical discourse on the literary movement of 'realism.'

**Biblia para niños, Historias de Jesús / The Jesus Storybook Bible**-Sally Lloyd-Jones 2017-03-21 La Biblia para niños – Historias de Jesús edición especial bilingüe cuenta la historia que subyace detrás de todas las otras historias de la Biblia. En el centro de la misma se encuentra un niño, el niño del cual dependería todo. Cada relato susurra su nombre. Desde los tiempos de Noé, Moisés y el gran rey David, toda historia apunta hacia él. Es como la pieza que falta en un rompecabezas... la pieza que hace que todas las demás encajen en su lugar. Desde el Antiguo Testamento hasta el Nuevo Testamento, conforme la historia se desenvuelve, los niños recogerán los indicios y armarán el rompecabezas. Siendo una Biblia como ninguna otra, la Biblia para niños – Historias de Jesús invita a los niños a unirse en la mayor de todas las aventuras para descubrir por sí mismos que Jesús está en el centro de la gran historia divina de la salvación... y en el centro de la historia de ellos también.

**Movies and the Mind**-William Indick 2015-01-09 The latent symbolism in film imagery can be psychoanalyzed just like the imagery in dreams. This work applies to film the psychoanalytic techniques of Sigmund Freud, Erik Erikson, Carl Jung, Alfred Adler, Joseph Campbell, Otto Rank and Rollo May, providing a fundamental understanding of film symbols and structure. It offers a comprehensive and eclectic approach to film analysis, using a broad variety of theories and examples from both classic and contemporary movies, from Dracula (1930) to American Beauty (1999). The final chapter applies all the previously discussed techniques to one film, Malcolm X (1992). The work boasts a filmography and bibliography and is illustrated.

The Classic Chinese Novel - C T Hsia 2016-02-15 C. T. Hsia examines six landmark texts: The Romance of the Three Kingdoms, The Water Margin, Journey to the West, Chin Ping Mei, The Scholars, and Dream of the Red Chamber. In addition to providing historical and bibliographical information, he critiques structure and style, as well as major characters and episodes in relation to moral and philosophical themes. C. T. Hsia cites Western classics for comparison and excerpts each novel. Hailed as a classic upon its publication in 1968, The Classic Chinese Novel has remained the best singlevolume critical introduction to the subject.

Daughter of the Spellcaster - Maggie Shayne 2012-11-13 Witch Lena Dunkirk and playboy Ryan McNally struggle to foil a demonic plot to take possession of their unborn child, a situation that forces them to make a decision that will decide the fate of the baby's soul--and of the world.

The Portal Series Box Set - Maggie Shayne 2019-11-11 Together for the first time in one box set, be spellbound by all four stories in the Portal Series by New York Times bestselling author Maggie Shayne. LEGACY OF THE WITCH As a child, Amarrah loved her grandmother's stories of three witches who were members of the king's harem. But they were more than just stories. Amarrah knows she was there with them...and now their legacy, along with an ancient box that once belonged to them, lies in her hands. MARK OF THE WITCH Indira Simon doesn't believe in magic. But when strange dreams of being sacrificed to an ancient Babylonian god have her waking up with real rope burns on her wrists, she's forced to acknowledge that she may have been too hasty in her rejection of the unknown. Then she meets mysterious and handsome Father Thomas. Emerging from the secrecy of an obscure Gnostic sect, he arrives with stories of a demon, a trio of warrior witches—and Indira's sacred calling. DAUGHTER OF THE SPELLCASTER Lena Dunkirk is a practicing witch, Ryan McNally a wealthy playboy. Logic says mismatch, yet from the first they share a passion that defies reason, as if they know each other from another place, another time. Then Lena gets pregnant. Soon she and Ryan are sharing eerie dreams of ancient lands, while a vengeful demon plots to take possession of their child. As the moment of birth approaches, the demon's power rises, forcing the hand of love to wield the blade that will decide the fate of a child's soul—and the future of the world. BLOOD OF THE SORCERESS As an ancient king's favorite harem slave, Lilia committed the worst of all possible
crimes: loving another man. When the king discovered her treason, her lover was sentenced to lose his soul and linger in eternal imprisonment, and Lilia herself was executed alongside her sisters. While they reincarnated through countless lifetimes, she lingered alone between worlds for thousands of years, waiting for the moment to rescue her beloved Demetrius. Now that moment has come.

**The Songs Became the Stories**-Robert H. Cataliotti 2007 The Songs Became the Stories: The Music in African-American Fiction, 1970-2005 is a sequel to The Music in African-American Fiction, which traced the representation of music in fiction from its mid-nineteenth-century roots in slave narratives through the Black Arts Movement of the 1960s. The Songs Became the Stories continues the historical, critical and musicological analyses of the first book through an examination of many of the major figures in African-American fiction over the past thirty-five years, including Ishmael Reed, Toni Morrison, Ntozake Shange, Nathaniel Mackey, Alice Walker, Albert Murray and John Edgar Wideman. The volume also includes an extensive annotated discography and excerpts from first-hand interviews with major African-American musical artists.
