Faulkner-Dureen Fowler 2000 Fowler exposes psychic conflicts that drive Faulkner's fiction and posits from them an underlying tension between the desires for difference and wholeness, between the mother and the father, between the living body and death.

Go Down, Moses-William Faulkner 2011-08-18 "I believe that man will not merely endure: he will prevail. He will gain new strength, new courage, new resolution to face the facts of his life. He will discover something or someone he has never known before."

Faulkner and Race-Dureen Fowler 2012-03-14 The essays in this volume address William Faulkner and the issue of race. Faulkner resolutely has probled the deeply repressed psychological dimensions of race, asking in novel after novel the perplexing question: what does whiteness signify in a predominantly white society? However, Faulkner's fiction has sometimes been read as a critique of whiteness, but because he has a soul, a spirit capable of compassion and sacrifice and endurance."

Faulkner's second novel, Mosquitoes was first published in 1927, but did not receive any critical response until 1930. It is interesting to note that Faulkner delves into what it means to be an artist. Faulkner and Love. But also how literature and history can reshape theory. Faulkner's biography and his literary characters, Gorra illuminates what Faulkner maintained was "the South's curse and its separate destiny," a class and racial system built on slavery that was devastated during the Civil War.

Faulkner's mythic Yoknapatawpha County. The story revolves around a grim yet powerful "Go Down, Moses" is composed of seven interrelated stories, all of them set in Faulkner's mythic Yoknapatawpha County. The stories include, among others, "Barn Burning," "Knight's Gambit," and "The Bear." The stories explore themes such as family, power, and the relationship between human beings and the natural world. The stories are written in a Faulknerian style, characterized by its complex structure, richly nuanced characters, and a deep sense of地方色彩. The stories are published in a collection titled "Go Down, Moses," which was published in 1935. The collection includes the stories "Barn Burning," "Knight's Gambit," and "The Bear." Requiem for a Nun—William Faulkner 2011-05-18 The Sequel to Faulkner's most sensational novel, Sanctuary, this is the story of a young woman named EllamWO Botter who is seduced, betrayed, and then forced to confess her own guilt. Told partly in prose, partly in play form, Requiem for a Nun is a haunting masterpiece of Faulkner's late period. With Faulkner's trademark evocative, passionate prose, this is the story of a woman who is trapped by her own guilt and forced to live with the knowledge of her own betrayal.

In Faulkner's Shadow—Lawrence Wells 2022-08-10 What happens when you marry into a family that includes a Nobel Prize winner who is arguably the finest American writer of the twentieth century? Lawrence Wells, author of In Faulkner's Shadow: A Memoir, fills this lively tale with stories about Faulkner and his work. In 1972, Wells married the only niece of William Faulkner, and slowly found himself lost in the Faulkner mystique. While attempting to move on from his new family, he became embroiled in the world of politics, and was drawn into some of the more contentious issues of race and class, which are the main themes of this book. In this memoir, Wells shares his experiences with Faulkner's family, and with the Faulkner estate, as well as his own personal journey towards understanding Faulkner's legacy.

Garrison Avenue—Joyce Faulkner 2018-05-09 Fort Smith, Arkansas, in the 1910s was no longer a rough western town. Electric lights, fancy hotels, new theaters, trolleys, and automobiles were changing how people traveled, dated, wooed, and enjoyed themselves. Citizens viewed the city as a modern city with a rich history. Garrison Avenue, the most popular lawn, Andy Carr, and ending with the lynching of an innocent young black man, Sanford Lewis. Garrison Avenue is the story of the city and its people and the events that shaped them.

The book provides an in-depth look at his writing career, including his work as a novelist, playwright, and screenwriter, as well as his personal life, including his marriages, extramarital affairs, and his various health problems.
complement the classic, familiar format. In CliffsNotes on The Sound and the Fury, you explore what is considered to be one of William Faulkner's greatest novels. The Sound and the Fury tells the story of the decline of the once-aristocratic Compson family of Yoknapatawpha County, in northern Mississippi, as told in stream of consciousness by three brothers—Benjamin, Quentin, and Jason. Summaries and commentaries guide you through each section of the novel, and critical essays help you understand the origin of the book's title, the structure of the book, and Faulkner's stream of consciousness style of writing. Other features that help you study include A section on the life and background of William Faulkner A special guide to the Benjy section—the most difficult section of the novel Analyses of the major characters An additional critical essay on meaning through motif in the novel Review questions and essay topics Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Gay Faulkner

The life and works of William Faulkner have generated numerous biographical studies exploring how Faulkner understood southern history, race, his relationship to art, and his place in the canons of American and world literature. However, some details on Faulkner’s life collected by his early biographers never made it into published form or, when they did, appeared in marginalized stories and cryptic references. The biographical record of William Faulkner’s life has yet to come to terms with the life-long friendships he maintained with gay men, the extent to which he immersed himself into gay communities in Greenwich Village and New Orleans, and how profoundly this part of his life influenced his “apocryphal” creation of Yoknapatawpha County. Gay Faulkner: Uncovering a Homosexual Presence in Yoknapatawpha and Beyond explores the intimate friendships Faulkner maintained with gay men, among them Ben Wasson, William Spratling, and Robert Creekmore, and places his fiction into established canons of LGBTQ literature, including World War I literature and representations of homosexuality from the Cold War. The book offers a full consideration of his relationship to gay history and identity in the twentieth century, giving rise to a new understanding of this most important of American authors.
