Kingfish-Richard D. White, Jr. 2009-03-25 From the moment he took office as governor in 1928 to the day an assassin’s bullet cut him down in 1935, Huey Long wielded all but dictatorial control over the state of Louisiana. A man of shameless ambition and ruthless vindictiveness, Long orchestrated elections, hired and fired thousands at will, and deployed the state militia as his personal police force. And yet, paradoxically, as governor and later as senator, Long did more good for the state’s poor and uneducated than any politician before or since. Outrageous demagogue or charismatic visionary? In this powerful new biography, Richard D. White, Jr., brings Huey Long to life in all his blazing, controversial glory. White taps invaluable new source material to present a fresh, vivid portrait of both the man and the Depression era that catapulted him to fame. From his boyhood in dirt-poor Winn Parish, Long knew he was destined for power—the problem was how to get it fast enough to satisfy his insatiable appetite. With cunning and crudity unheard of in Louisiana politics, Long crushed his opponents in the 1928 gubernatorial race, then immediately set about tightening his iron grip. The press attacked him viciously, the oil companies howled for his blood after he pushed through a controversial oil processing tax, but Long had the adulation of the people. In 1930, the Kingfish got himself elected senator, and then there was no stopping him. White’s account of Long’s heyday unfolds with the mesmerizing intensity of a movie. Pegged by President Roosevelt as “one of the two most dangerous men in the country,” Long organized a radical movement to redistribute money through his Share Our Wealth Society—and his gospel of pensions for all, a shorter workweek, and free college spread like wildfire. The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools, hospitals, and universities; his outrageous antics on the Senate floor gained him a growing national base. By 1935, despite a barrage of corruption investigations, Huey Long announced that he was running for president. In the end, Long was a tragic hero—a power addict who squandered his genius and came close to destroying the very foundation of democratic rule. Kingfish is a balanced, lucid, and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics.

The House of Twenty Thousand Books-Sasha Abramsky 2017-03-28 "The House of Twenty Thousand Books is journalist Sasha Abramsky's elegy to the vanished intellectual world of his grandparents, Chimen and Miriam, and their vast library of socialist literature and Jewish history. A rare book dealer and self-educated polymath who would go on to teach at Oxford and consult for Sotheby's, Chimen Abramsky drew great writers and thinkers like Isaiah Berlin and Eric Hobsbawm to his north London home; his library grew from his abiding passion for books and his search for an enduring ideology. The books, documents, and manuscripts that covered every shelf at 5 Hillway were testaments to Chimen's quest -- from the Jewish orthodoxy of his boyhood, to the Communism of his youth, to the liberalism of his mature years. The House of Twenty Thousand Books is at once the story of a fascinating family and chronicle of the embattled twentieth century. The House of Twenty Thousand Books includes 43 photos. "--

Parliament and the Crown in the Reign of Mary Tudor - Fellow and Tutor in Modern History Jennifer Loach 1986

The five parliaments of Mary's reign have traditionally been regarded as crucial in the development of the House of Commons and of opposition to the Crown. This study, which describes the summoning, procedure, and management of parliament in the mid-16th century, is the first detailed account of these five parliaments. By showing that Mary, like her father and sister, was able to implement unpopular policies without alienating her most important subjects, the book provides strong new evidence of the strong bonds between Tudor monarchs and the property-owning class.
